| Product                        | Species | Description   | Raybiotech Catalog | Size          | RayBiotech Price |
|--------------------------------|---------|---|--------------------|---------------|------------------|
| ACRP30                         | human   | Rabbit anti Adiponectin, N-terminal   | MD-08-0001         | 100ug         | 544.00           |
| Acrp30                         | human   | rabbit anti-human Acrp30  | RB-08-0021         | 200µg         | 180              |
| Acrp30                         | human   | rabbit anti-human Acrp30  | RB-08-0021A        | 1mg(10 Vials) | \$520.00         |
| ACTH                           | Human   | RABBIT ANTI HUMAN ACTH, With HRP-conjugated secondary antibody                          | DS-PB-00060        | 500µl         | 338.58           |
| ACTH                           | Human   | RABBIT ANTI ACTH, With HRP-conjugated secondary antibody                                | DS-PB-00061        | 1ml           | 550.80           |
| ACTH                           | Human   | RABBIT ANTI HUMAN ACTH, With HRP-conjugated secondary antibody                          | DS-PB-00062        | 6ml           | 463.32           |
| ACTH                           | Human   | RABBIT ANTI HUMAN ACTH, With HRP-conjugated secondary antibody                          | DS-PB-00063        | 1ml           | 138.60           |
| ACTH                           | Human   | Mouse anti ACTH C-terminal  | MD-08-0002         | 1mg           | 475.20           |
| ADIPOCYTES MEMBRANE            | Pig     | SHEEP ANTI PORCINE ADIPOCYTES MEMBRANE, With HRP-conjugated secondary antibody          | DS-PB-00078        | 1ml           | 302.40           |
| Adiponectin                    | Human   | Mouse anti Adiponectin  | MD-08-0003         | 1mg           | 816.00           |
| ADIPONECTIN (C-TERMINAL)       |         | RABBIT ANTI ADIPONECTIN (C-TERMINAL), With HRP-conjugated secondary antibody            | DS-PB-00079        | 0.1mg         | 321.30           |
| Adipsin                        | human   | rabbit anti-human Aidpsin   | RB-08-0017         | 200µg         | 180              |
| Adipsin                        | human   | rabbit anti-human Aidpsin   | RB-08-0017A        | 1mg(10 Vials) | \$520.00         |
| Amylin                         | human   | rabbit anti-Amylin  | RB-08-0007         | 200µg         | 180              |
| ANGIOTENSIN I                  | Human   | SHEEP ANTI HUMAN ANGIOTENSIN I, With HRP-conjugated secondary antibody                  | DS-PB-00169        | 250µl         | 264.60           |
| ANGIOTENSIN II                 | Human   | MOUSE ANTI HUMAN ANGIOTENSIN II, With HRP-conjugated secondary antibody                 | DS-MB-00081        | 200µg         | 392.04           |
| ANGIOTENSIN II                 | Human   | MOUSE ANTI HUMAN ANGIOTENSIN II, With HRP-conjugated secondary antibody                 | DS-MB-00082        | 200µg         | 463.32           |
| ANGIOTENSIN II                 | Human   | RABBIT ANTI HUMAN ANGIOTENSIN II, With HRP-conjugated secondary antibody                | DS-PB-00170        | 1ml           | 392.04           |
| Angiotensin II                 | human   | rabbit anti-human Angiotensin II  | RB-08-0018         | 200µg         | 180              |
| Angiotensin II                 | human   | rabbit anti-human Angiotensin II  | RB-08-0018A        | 1mg(10 Vials) | \$520.00         |
| ANGIOTENSIN II TYPE 1 RECEPTOR | Human   | SHEEP ANTI HUMAN ANGIOTENSIN II TYPE 1 RECEPTOR, With HRP-conjugated secondary antibody | DS-PB-00171        | 200µg         | 302.40           |

|                 |                 |   |             |               |           |
